charlie chaplin was first lauded and later reviled in the america that made him hollywood s richest man this title presents relationship between the tramp his creator and his world wide fans and retrieves chaplin as the iconic london street kid who carried the surreal antics of early british music hall triumphantly onto the hollywood screen

shortlisted for the literary encyclopedia book prize 2022 the tramp in british literature 1850 1950 offers a unique account of the emergence of a new conception of homelessness in the mid nineteenth century after arguing that the emergence of the figure of the tramp reflects the evolution of capitalism and disciplinary society in this period the tramp in british literature uncovers a neglected body of tramp literature written by memoir and fiction writers many of whom were themselves homeless in analysing these works it presents select texts as a unique and ignored contribution to a wider radical discourse defined by its opposition to a wider societal preoccupation with the need to be productive
